

Policy

The internship policy will be applicable to all the students who apply for internships extended through PLACEMENT CELL, for the session 2018-19 and will be followed for the entire duration of the session. Internship support provided by PLACEMENT CELL to participating (registered) students does not carry any guarantee on securing an internship opportunity

Eligibility and Guidelines for internships

- The role of the PLACEMENT CELL is a facilitator and counselor for internship activities. Registering for internship with PLACEMENT CELL does NOT guarantee an internship.
 - PLACEMENT CELL internship services are available only to students registered with PLACEMENT CELL
 - Applying for internship with any company or joining a company is entirely the responsibility/decision of the student concerned
- Internship opportunities provided by PLACEMENT CELL is a one-time internship opportunity extended to registered students
 - Support services will only be provided ONLY if their respective academic program allows the student to take-up internship opportunities
 - Student is considered to have participated in internship activities ONLY if he has registered for internships with PLACEMENT CELL and have applied to at least one company in that year
 - Priority for internships will be given to pre final & final year students
 - If a student gets an Internship from anywhere other than the PLACEMENT CELL, he/she must inform the PLACEMENT CELL within 24 hours by sending an email to placement cell with a copy.
 - Students selected for internship must follow the project guideline attached with the document.
