STUDENTS FEEDBACK:

Saumya- CE

It was great attending those live session with the IMS faculty. We can solve the questions and they can clear our doubts on the spot with the help of panelists.

Renukadevi- CE

Two day workshop gave me idea of how to start practicing for the Aptitude test. The GDPI session which were conducted were very helpful. I was looking for more comprehensive and extensive Aptitude test series.

Apurva- CE

The session was really helpful and informative. Most of the doubt were solved with the help of faculties and also the session was very interactive.

Nitya- IT

The initiative taken by the virtual club in these phase of lockdown by arranging online session for aptitude and how to prepare for GD helps in preparation for aptitude and clear certain doubts about the entrance exams.

Esha- IT

Those sessions were really a great experience. I got a lot of new information regarding how to improve your verbals, and new techniques in aptitude and logical tests. I would like to thank the team worked to make this session possible.

Jhanvi- CE

It was much interesting and helpful too. But I was waiting for the third day i.e 17th, in which they were actually going to teach us how to tackle the quantitative aptitude questions.

Niti- CE

The session was really helpful. It contained the full exam pattern, the distribution of marks and questions each section wise along with new & easy ways/techniques to solve the aptitude as well as the verbal section in less time. Moreover, it was motivating enough to make us decide when and how to start preparing for the examination. It was fun as well, we got to learn many new interesting words relating with their root history, to make it easy to remember the meaning of some tough words. Overall it was amazing and learning. I would like to thank all the panelists, professors and IMS to arrange such a fruitful session for us.
