

Developer Student Clubs (DSC) is a Google Developers program for university students to broaden the access to world-class technology curricula and giving the large Indian student community a head start on latest technologies like Machine Learning, Artificial Intelligence and Mobile & Web Development.

They having 172 Leads representing 172 colleges, spread across 90+ cities and 22 states, and pursuing various majors ranging across CS, IT, Electrical, Electronics and more.

How I appeared and got selected in Google DSC (Developer Student Club)?

For appearing in DSC program I filled up the form. There were some requirements in the 1st round.

1. Github account
2. Android projects (created my own).
3. Websites (created my own).
4. Blog
5. Extracurricular activities
6. Workshops

Then I got selected for the 2nd round.

2nd round was a phone call interview related to how will I manage workshops on campus, explain google products like Firebase, Tensorflow etc and I also explain my work on Research paper which was on fog computing.

After passing the 2nd round, I got selected as a DSC lead.
