Event Report

Faculty Development Program on Python 3.4.3 organized in association with Spoken Tutorial, IIT Bombay from 25th May, 2020 to 30th May, 2020

A one week FDP on Python 3.4.3 was organized by Madhuben & Bhanubhai Patel Institute of Technology – CVM University, New Vallabh Vidyanagar for faculty members and Industry persons from 25th to 30th May, 2020 in association with Spoken Tutorial, IIT Bombay. The objective of organizing this FDP was to acquire programming skills in core python, to obtain object oriented skills associated with Python and to learn how to design GUI in Python.

An online inaugural function was held on 25th May, 2020. In the beginning, Prof. Nirav Raja, I/C Head of Computer Engineering Department, MBIT and convener of this FDP gave the official welcome speech and statistics related to FDP. Total 205 attendees were registered in FDP from different universities and states. Prof. Dr. Archana Nanoty, Principal, MBIT and FDP President address the participants and shared her views about the importance of such programs. She discussed about importance of latest technological development considering the present time of COVID-19 pandemic. She also discussed how Information Technology has helped us during this time. After this the Honorable Chairman of CVM and Chief Patron of this FDP Er. Shri Bhikhubhai Patel Sir motivated us with his blessings and encouraging words.

In this one week FDP on Python 3.4.3 the participants were given video links each day from Spoken Tutorial IIT Bombay. The participants have to learn python from those video lectures. At the end of the day one quiz and journal was provided to them and participants have to attempt the quiz and journal based on the learning outcome of that respective day.

At the end of FDP one final quiz was conducted based on the whole syllabus in which participants had to score minimum of 40% to be eligible for e-certificate.

All the topics covered were truly amazing as well as informative. We are happy to share that we get overwhelming response from the participants and were requested to arrange more such FDPs and Workshops. We are thankful to our Principal, Prof. Dr. Archana Nanoty madam and CVM for providing such opportunity to conduct such FDPs for enhancement of faculties and gain knowledge in such a pandemic situation.

Feedback:

All staff members were very polite and supportive, answered all the queries and doubt without any hesitation, Specially Ankita Ma'am and Jayna Ma'am coordination was perfect.

..... **Vaja Dhaval Dhirajlal**

Excellent arrangements and proper execution of all activities. Thanks to whole organizing team of MBIT. Specifically Prof. Jayna and Ankita madam.

.....**Prakash Patel**

It was really a good experience to learn everything by watching and listening by own. Flow of the lecture series was properly drafted and presented. I am thankful to Prof. Dipti and Prof. Raja who resolved my query even at 11:00 pm. Thanks for instant support.

.....**Kalpesh M Shah**

It's very nicely coordinated. Instructions are clear and precise and coming right on time. No interruption at all even it is organized on online platform.

..... **Ankita Nevil Gandhi**

Keep doing such type of excellent events. Waiting for announcement of next event.
