

Event Report

"मन की बात with MBIT परिवार"

"मन की बात with MBIT परिवार" was organized on 23rd, 24th, 27th and 30th May 2020. Boucher and Registration form was shared with students and parents around 500 students got registered in the "मन की बात with MBIT परिवार". In the registration form queries were asked to students which can be solved during the interaction. The interaction was arranged for student's semester wise.

Prof. Hina Patel began the conversation with Welcome Note explaining the reason for meeting. She warmly welcomed all parents with their wards. She then introduced our beloved Principal Prof. Dr. Archana Nanoty. She gave a brief introduction of education and accomplishments as well work done by Prof. Dr. Archana Nanoty during the Lockdown time of Covid-19.

Then blessings of God was taken by playing Saraswati Vandana by Prof. Pratik Soni. The session then commenced by playing audio blessings of Er. Bhikhubhai B. Patel, Chairman, Charutar Vidhya Mandal as sir couldn't join because of other work.

The session then continued with the presentation by Prof. Dr. Archana Nanoty, Principal, MBIT. In the presentation she focused on the following points and explained them: Online Platforms used, mid and end-semester examinations, next semester planning, purpose of the meeting, details of faculties-led online lectures, details of activities such as Webinar, FDP, courses in which faculties participated. She also provided details about a programme organized for 12th Science students which was Induction before admission. She also talked about organizing Mock GUJCET for 12th Science students where almost 292 students took advantage of it.

She then gave an overview of the activities under IEEE and ISTE organized by MBIT for giving technical knowledge to students. Also, there were activities like Yoga session and interaction with Alumni was organized by MBIT. She then made parents aware of MBIT's care for the students by installing a sanitizing chamber and thermal screening process that will be done in the next semester when the students arrive. Madam also explained regarding the exams and how the future education will be taken care. Madam also focused on proper use of technology by giving a very nice real example.

The session further commenced with the placement detail by Prof. Ashwini Jha's. Sir threw light on the aptitude and communication skills going on in classes. He has added the brief details on the students selected. He made promises to parents about the placement activities.

Dr. Bhavesh Rajpara further continued the session with reminding parents about how they were punctual and wanted information about taking admission in college after 12th result. He explained how the situation is different right now and helped their friends and relatives for getting queries solved regarding the admission.

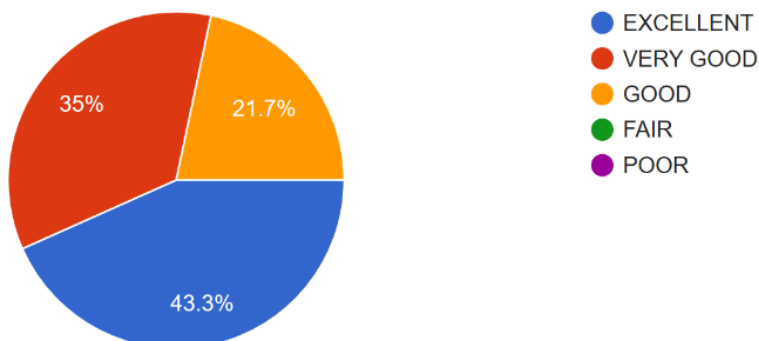

There after Shivani Hathi, Mirya Dudhagra, Ayushi Shah, Krish Shah, Vishav Garala, Nistha Pandya, Krupali Purohit and Himani Prjapati who are students in 1st, 2nd, 3rd and 4th year respectively shared their experience of how faculties were always ready to help and available to students. They also threw light on how the faculties motivated through IEEE, ISTE, Software Clubs, Volcano, and so on in curricular and extracurricular activities. They further added how MBIT made their career and changed their lives.

Few parents expressed their feelings about how happy and satisfied they are about how the future of their children is nurtured. Then feedback as well as suggestions of parents were taken by sharing a link. The session concluded with thank you speech by Prof. Jagruti Prajapati and then all of them arose for MBIT and National Anthem.

Feedback:

We would like to thank the speech given by Dr. Archana Mam we get the answer of certain queries.

..... **Gandhi Nayanaben Yoginkumar**

Very Vibrant Institutes during COVID phase. Learning activities conducted online by Institute, Best Initiative of connecting with Future talents and also inspiring all existing students by Interaction with College Alumni. Honorable Principal Madam's address was really very nice and fully satisfying to parents.

..... **Aghera Ashwin Jivrajbhai**

College Teaching Staff is wonderful, they are easily accessible, and College is very Vibrant under the Guidance of Honorable Principal madam. Thank You for giving us this opportunity.

..... **Shukla Haripriya Hemanshubhai**

The program was very well informative and doubts were very well solved.

..... **Patel Arvindbhai**
