**ATTEND ONLINE SESSION ON
20th May, 2020 - 3:00PM TO 5:00PM**

MBIT in collaboration with TCS and Disha Consultants organized an Online session on codevita and considering study abroad in these time respectively for students of all branches of the MBIT college. 135 students attended the online session.

First online session was conducted by TCS on the topic of "Codevita" on Wednesday 20th May 2020 at 3:00 pm. TCS CodeVita, is a contest for engineering and science students to experience the joy of coding and to sharpen their programming skills through real-life computing practices. The contest also aims at identifying the talent, besides providing the student community, an opportunity to earn peer recognition.

Another online session was conducted by Disha Consultants on the topic of “Considering Study Abroad in these times” on Wednesday 20th May 2020 at 5:00 pm. They addressed the queries regarding the current situation of education institutes in USA and Canada.

The students were benefited by the approach used by the speaker and also got their doubts cleared regarding a particular topic. The online session received an overall positive response from the attendees. These session was very useful for 1st, 2nd and 3rd year students.

STUDENTS FEEDBACK:

Apurva CE 6th semester

The session was very informative and beneficial. Will the help of this webinar our doubts and queries were solved regarding current situation going on.

Aayushi Patel IT 4th semester

It is very very grateful session and each and every session moments get the knowledge about our carrier related n very interested session.

Kruti Dodiya IT 4th semester

Webinar is so beneficial and very interesting.

Rony Parmar IT 2nd semester

It was really informative webinar. Got to know benefits of TCS company which we were not aware about.

Dixita Patel CE 6th semester

The online sessions conducted by TCS and Disha consultants. Panelist were very helpful but also helped me through my future problems and doubts. They made our lockdown period really knowledge and interactive.
