The online MCQ event (**Quiz Trivia**) was conducted on **25th October 2020 at 11 AM**. The questions asked in the quiz were from **C, Java & Python** programming language. The event was useful for 1st, 2nd, 3rd & 4th year students. This event was **free for all the participants** and was **open for all the colleges**. There were **total 112 participants** in Quiz trivia. This event was successfully **organised by team ISTE** under the guidance of **Prof. Sunayana Domadia**.

There were **total 50 MCQs** in the Quiz Trivia event and the quiz was conducted using google forms. The **total time duration** to complete the quiz was **60 minutes**. This event was conducted fairly. We have given certificate of excellence to top 2 scorers and certificate of appreciation to those who scored at least 70%. We had also provided some exciting perks to the winner and runner up. In this event total 112 students had participated and 70 students participated from MBIT college and 42 students participated from other colleges.

Rikin Patel was announced as **Winner** and **VandanChhag** was announced as **1st Runner Up** in Quiz Trivia. Both have performed very well. **Rikin Patel has scored 40/50 marks** and secured winner's position in Quiz Trivia. **VandanChaag scored 38/50 marks** and secured 1st Runner Up position in Quiz

Trivia. **Rikin Patel** received the **certificate of excellence** and **Amazon prime subscription for 3 months** as an exciting perk. **VandanChaag** received the **certificate of excellence** and **Amazon prime subscription for 1 month** as an exciting perk. All the participants had performed well.

Such Quiz competitions helps students to increase their confidence on their knowledge and helps them to test and improve their technical skills.
