ONE-MINUTE TECHNICAL SHOW

One technical quiz was conducted in this event. Herein, students were divided into group of four and shown pictures related to hardware and software. Group with highest score was selected for another round.

Second part of this event was Dish drawing. Here the students were divided into 5 groups in pair of two. And one has to draw pictures in the dish according to the partner's instruction. The group with comparative good task was declared winner.

Third part of the event was Word Chain. Herein, students were given a word and they should write meaningful sentences passing to another. And the winners of this round

were allowed for the last part of the event that was Treasure Hunt. Here there 4 groups in group of four students. Every group were given a chit having clue and they supposed to find a thing linking the clues and finding them.

At the end there were two winners' position were given. Winner got helpful Engineering Equipment, that will be helpful to them in their studies. And the runner got a pen to write a bright future.

The event was successfully led by Rony Walter and volunteered by Rut, Shivani ,Parthi, Heli and Namira. There were 46 students and accordingly social distance was also maintained for the student's health due to this pandemic situation.

Apart from a speech was delivered by Prof. Sunayana Domadia, that was quite inspiring for the freshers of 2021 year. Guidance and support information was shared to the students by the professor for their betterment in this pandemic situation.
