“मन की बात with MBIT Parivar” Report

MBIT organized Parents Teacher Interaction on 10th July 2021

A CVM Institute, MBIT organized parent's teacher interaction “मन की बात with MBIT Parivar” for 2nd semester students and their parents on 10th July 2021 on the virtual platform Microsoft Teams. Like every year this year too, it was organized to share the Institute's planning for academic, behavioural, and social well-being of the students and to clarify any related queries or concerns. It was attended by almost 200 parents and students. It provided a valuable opportunity for parents to meet their wards counsellor and to discuss how their child is performing in the institute.

The event commenced with a welcome note by the anchor. The session was one hour long, and it started at 2:00 PM. The anchors warmly welcomed the parents and students on the webinar. Blessings for the success of program were taken by playing Saraswati Vandana.

The webinar further commenced by introduction of Chairman of CVM and his written blessings were shared by the anchor, followed by the introduction of Principal Madam which was given by the anchor. Prof. (Dr.) Archana Nanoty gave a detailed presentation of college, ranging from the cocurricular activities, placements, academic performance of institute, extracurricular activities, library, mess and hostel facility, AC library facility in hostel and college covid-19 preparedness. She enlightened, how MBIT remained vibrant in this tough time, by emulating every aspect of development by available virtual means. She motivated the students with a beautiful anecdote of Dr. Vikram Sarabhai and Dr. Abdul Kalam Azad.

Few parents had shown their willingness in sharing their views and impart their experience to the audience on how MBIT worked at the grass root level for each student and nurtured and helped their ward, while the they had lost all hope in their tough times. Few of them displayed their satisfaction in admitting their child in MBIT. In the course Nareshbhai Tejawani, Vikram Kalyani and Naresh Ganatara spoke.

Few students also received the opportunity to speak their mind, they were Ms. Dhruvi Bhandari from IT Dept., Mr. Juned Memon, Ms. Swati Kalyani, Mr. Vinit Tejawani and Ms. Khushi Ganatara from computer Dept., They articulated their experience of one year with institute and how satisfied they feel after taking cues of all other institutes. The progressive approach of MBIT was highlighted by Juned Memon and Khushi Ganatara.

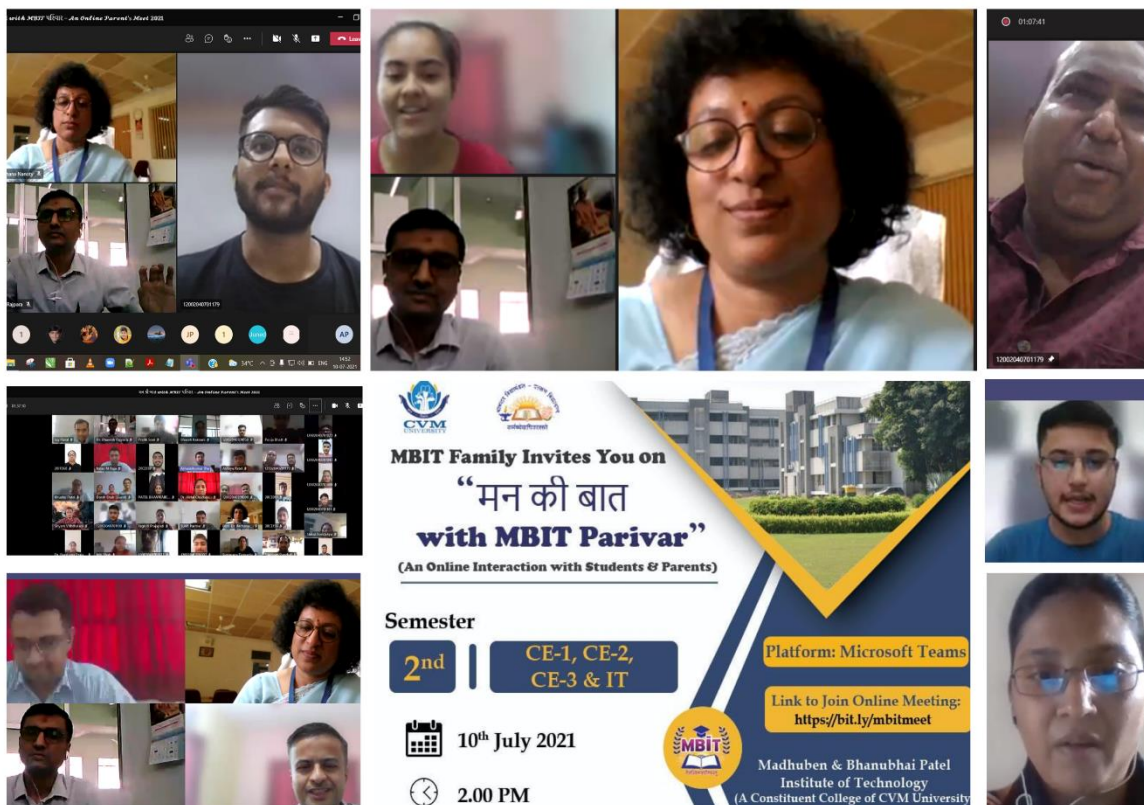

Later in the meeting Dr. Bhavesh Rajapara Head of ASH Dept, was invited by the anchor to convey important information regarding semester duration and scholarship. Prof. Nirav Raja Head of computer engineering Dept, proposed the vote of thanks, he thanked the management for this opportunity and the audience for joining in large numbers. He thanked everyone who were directly or indirectly involved in making this event successful. The anchors then, instructed the audience to enable their cameras to capture a group photo.

The program concluded with MBIT anthem followed by national anthem.
