Following the tradition of giving farewell to the graduating batch, Computer and IT department organized the farewell function “Adieu Seniors” for batch of 2017. The event was coordinated by semester 7 students of CE and IT department.

The program started with welcome speech by Selvi (7CE2) followed by prayer sang by Mitanshi (7CE2). After the prayer, and introduction of Principal madam, Prof. Dr. Archana Nanoty inspired students by sharing motivational story and her guiding words.

After that, to make the graduating batch relive their college days, a memorable video was presented which reminded them of the days spent in college. After the video presentation, Prof. Nirav Raja, HOD CE department and Dr. Hetal Chudasama, HOD IT department congratulated the graduating batch.

Semester 7 students were excited to share their experiences with the seniors. Rukhsar Bombaywala (7CE1), Zeel Patel (7CE2) and Dhruvi Intwala (7IT) shared about the experiences with seniors and how they were always mentor for juniors.

Then, there was a virtual dance presentation by Kruti and Pritha followed by the instrumental performance by Krish.

The graduating batch was feeling nostalgic and Vinita Chatlani and Labhi from batch of 2017 shared about how the college was a big part in their growth and how it

helped to shape their future over years.

Students of semester 7 tried to bundle up the memories for their seniors and presented a collage for them followed by it, the faculty members, Prof. Ashwini Kumar Jha, Prog. Suneet Parmar and Prof. Jay Raval shared words of wisdom.

At the end of function, Vishva Garala (7CE1) presented vote of thanks followed by MBIT Anthem and National Anthem.

The event was successful and the graduating batch was thankful for the farewell. Faculty members, technical team and digital team contributed in the success of Farewell.
