AICTE SPICES sponsored **Pi approximation day** was celebrated on **22nd July 2021** organized ASH department of MBIT under ISTE MBIT Student Chapter. As a part of this “**Memory Challenge Test**” was given to all the students of MBIT Wherein students must record their video saying as many digits of Pi as they can, in 10 seconds, within three allocated days. Rules were formed to prevent any unfair means. Team used a **google form** for participants where they can upload their video.

Total **27 students** had taken part in this competition, out of which **three winners** were declared by the respective judges.

On 22nd July 2021, a small session was organized to **declare the result** by team ISTE under the guidance of **Prof. Sunayana Domadia**. The student coordinator of ISTE student chapter, gave information about various grants disbursed by the **ISTE** and **AICTE SPICES**. In this session, a brief **History of “Pi approximation day”** was given by

Prof. Khusbu Patel, Assistant Professor in Mathematics from ASH department of MBIT.

Vrushu Patel from **20CE-2** became the **Winner** by speaking **56 digits** of PI after decimal point and **Sharvil Patel** from **20CE**-secured **first runner up** position by speaking **55 digits** of PI after decimal point and **Bhakti Joshi** from **19CE** became **second runner up** by speaking **54 digits** of PI after decimal point.

This event was successfully **organized by team ISTE** under the guidance of **Prof. Sunayana Domadia & ASH Department MBIT**.

Vrushu Patel has received power bank of Mi worth Rs.999, Sharvil Patel has received power bank of Zinq worth Rs.499 and Bhakti Joshi has received a USB flash drive worth Rs.399. All the participants received a **Certificate of Appreciation** for participating in this event. This kind of events encourage creative minds to show their talent.
