Organized By: -  
Department of Computer Engineering  
Madhuben & Bhanubhai Patel Institute of Technology  
(A Constituent College of CVM University), New Vallabh Vidyanagar

The aim of this Expert talk is to explain the use of “Data Science” making attendees aware of the development of various applications using it. The expert talk was conducted offline. As data science is the demand for today’s industry and society, there is a need to explore data science opportunities in the field of automation.

This Expert talk will provide a unique platform for enhancing the knowledge of the students who are interested in data science.

### **Expert talk Details**

Date & Time: 11/03/2022 (Friday) & 10:00 AM To 12:00 NOON.

Venue: ADIT Auditorium.

Expert Name: Er. Dhaval Patel (Founder of AtliQ Technologies)

Expert Designation: Data Engineer

Expert’s Organization: Bloomberg LP, New York.

Expert’s Experience in the same field: More than 17 Years. (Ex. NVIDIA)

Expert’s YouTube Channel: <https://www.youtube.com/c/codebasics>

Along with the Channel’s success, Dhaval’s efforts have also been recognized by one of the most reputed publications in India- The Times of India. They published an article on his motive behind the channel and highlighted its success.

Expert Talk Coordinators: Prof. Keyur Prajapati & Prof. Akash Dave (Computer Engineering Department, MBIT)

Feedback:

**Great session. Thanks to Dhaval Sir for their precious time.**

**I have inspired a lot by the event, it was amazing, Sir gave a very basic knowledge that what Data Science is and what is the requirement for it.**

**It was a Wonderful expert talk, and it will surely help in the upcoming time. Thank you for this amazing session**

**I was grateful to have such a wonderfully informative session.**

Organized Team:

We are thankful to our principal and CVM for providing such an opportunity and platform to conduct such expert talks for the students to gain knowledge. We are also grateful to Er. Dhaval Patel for delivering such a great expert talk on Data Science.
