ADISHTHAN Cultural Team organized HIES OVERSEAS Sponsored 'INFINITY WAVE: Let The Music Speak'. Our students participated in 'Infinity Wave' which was held at Madhuben & Bhanubhai Patel Institute of Technology, New Vidyanagar during 22nd April, 2022.

College is not just about studying but also about having a good time with friends and creating memories. Ahead of the Annual Fest "Adhithan-22" in MBIT, the DJ night "Infinity Wave - Let The Music Speak" was held to set a mood of celebration and give a taste of fun and happening college life.

Feedback:

- Thank you ADHISTHAN CULTURAL Team for conducting such a platform where students can showcase their talents.
- Lots of things to enjoy from the events especially from cultural night.
- The best thing about the cultural night was the surprise announcement of playing garba at the end.
