

Report of seminar on
Road Safety and Awareness Program

at

Madhuben and Bhanubhai Patel Institute of Technology, New V V Nagar

Date: 17/8/23.

Venue: Seminar Hall

Total Number Students attended: 200

Introduction

The Road Safety and Awareness Program held at M.B.I T by NSS Unit aimed to educate students and promote awareness about road safety measures and responsible behavior on the roads. The program included various activities, interactive sessions, and informative sessions to highlight the importance of road safety and its impact on society.

Objectives:

- The key objectives of the Road Safety and Awareness Program were as follows:
- Educate students about road safety rules and regulations.
- Raise awareness about the consequences of reckless driving and negligence.
- Promote responsible behavior on the roads.
- Encourage students to become ambassadors of road safety in their communities.
- Provide practical knowledge on first aid and emergency response in road accidents.

Program Highlights:

Guest Speakers: 1) Shri N.V. Parmar, ARTO (Assistant Regional Transport officer) Anand

2) Shri N.K. Solanki, RTO inspector, Anand

We invited renowned experts and professionals from R.T.O, Anand in the field of road safety to address the students. Their presentations covered a wide range of topics, including:

- Overview of road safety statistics and trends
- Importance of wearing seatbelts and helmets
- Dangers of distracted driving, including mobile phone usage
- Effects of driving under the influence of alcohol or drugs
- Pedestrian safety and the importance of following traffic signals

Conclusion

The Road Safety and Awareness Program at M.B.I.T successfully achieved its objectives of educating students about road safety and promoting responsible behavior on the roads. The interactive sessions and informative presentations, provided valuable insights and practical knowledge to the participants. The program also fostered a sense of responsibility among

students to advocate for road safety in their communities. With the acquired knowledge and skills, the participants are now better equipped to make informed decisions and contribute to creating safer roads for all.

Overall, the Road Safety and Awareness Program at M.B.I.T served as a crucial step towards creating a safer environment on the roads, and we hope to see a positive impact on the behavior and mindset of students regarding road safety.

Acknowledgments

We would like to express our sincere gratitude to all the guest speakers, volunteers, and organizing committee members who dedicated their time and efforts to make this program a success. We would also like to thank the college administration for their support and encouragement in organizing this event.
