MBIT Chronicles (Bi-Annual Newsletter)

Chairman's message

Warm regards and welcome.

The news that MBIT has released the ninth issue (Volume 5, Issue 1) of the bi-annual newsletter "MBIT CHRONICLES" makes me very happy. This newsletter's primary goal is to inform students about the multitude of events occurring on campus and to motivate them to participate in upcoming activities. This newsletter is a tiny step in developing the next generation of leaders who will be immensely helpful to society and handle life's obstacles with poise and tranquillity. I want to thank the institution from the bottom of my heart for all of its hard work.

Principal's Message

With great pleasure, I present the latest edition of MBIT Chronicles. It boldly displays the students' talent, which is clearly seen at MBIT activities. At MBIT, we equip students not just for academic success but also for handling real-world problems. Future engineers are trained to be excellent communicators, team players, and healthy competitors in addition to being technologically savvy. I am grateful to the editing unit for their hard work in making Chronicles this successful.

- Vikshit Bharat
- Drug Awareness Drive
- Meri Mitti Mera Desh
- NSS Orientation Program

ALUMNI PROFILE

Vyoma Choksi
Associate Consultant,
Ernst & Young

Vyoma completed her graduation from MBIT in 2018. After her bachelor's she enrolled in The National Forensic Sciences University in Gandhinagar for a Master's degree in cyber security. Currently, she has been working as an Associate Consultant at Ernst&Young for 2 years. While at EY, she earned recognition through programs like EY Kudos and Exceptional awards for her intellectually stimulating contributions and exemplary performance in delivering excellence. She says, "It's important to keep the curiosity alive and embrace challenges as opportunities to learn and grow. It's important to realise that learning from failures, celebrating successes, and remembering that education is a lifelong journey. Prioritizing practical knowledge and understanding is very important."

Akshit Varmora
M.Tech Computer Science,
IIT Bombay

Akshit graduated from MBIT in 2023 as a computer engineer. Later, he joined a Master's degree program in Computer Science in the Indian Institute of Technology, Bombay by securing an All-India Rank of 640. During the course of his study, he mastered skills like Python, Machine Learning, Socket Programming, Network Security and Cryptography. He currently holds the position of Student & Research Assistant at IIT Bombay. On being asked about his message for fellow MBITians he added, "The mind is filled with compulsions which cloud the experience that you have in the world, learn how to put aside the mind. Achievements are illusions, be conscious and live in the present moment."

Ajay Pathak
M.Tech Computer Science,
IIT Bombay

After graduating from MBIT in 2023 as a computer engineer, Ajay joined a Master's degree program in Computer Science in the Indian Institute of Technology, Bombay by securing an All-India Rank of 102. He has acquired skills like Python, Machine Learning and Statistics. He currently holds the position of MS by Research Student & Teaching Assistant at IIT Bombay. His message for fellow Mbitans is, "View hard work as a vector, acknowledging that it not only requires intensity but also, a clear direction. Your efforts gain maximum impact when focused on a well-planned trajectory towards your academic objectives. Regularly assess your progress, learn from experiences, and continually refine your approach."

Techmania

Tech mania, organized by MBIT ISTE, on 7th August, 2023 was a vibrant and engaging event. The event was structured into three phases, each offering a distinct and enjoyable activity. The participants exhibited great enthusiasm throughout the event, showcasing their intellect and teamwork during the phases.

Cybersecurity Workshop

The cybersecurity workshop held at MBIT was an engaging event that took place on 23rd September 2023. Dr. Yash Korat, a distinguished expert in the field of cybersecurity, graced the occasion as the keynote speaker. The workshop aimed to impart knowledge and awareness about the critical domain of cybersecurity. The dynamic interaction made the event more informative and beneficial for all.

Engineer's Day Celebration

The Engineer's Day Celebration was organized by the College Central Committee under the ISTE Student Chapter. The celebration, held on 15th September 2023, featured a range of technical and non-technical activities. Technical events included "Miscellaneous Box" and "Ganit Kurukshetra" which encouraged them to enjoy problem-solving and develop persistence. The non-technical events consisted of "Photography" and "Reel-Making" based on given theme fostering creativity and story-telling skills, providing students with a platform to showcase their talents beyond academics.

National Unity Day Celebration

In commemoration of Sardar Vallabhbhai Patel's Birth Anniversary on October 31st, the NSS team of MBIT College organized a pledge ceremony for "Rashtriya Ekta Diwas" (National Unity Day). Alongside the pledge ceremony, the NSS team orchestrated a donation drive, collecting unused clothes, toys, and various items for the less fortunate.

One MBITan One Cloth Initiative

In a collaborative effort with Kanha Charitable Trust and Vidyanagar Nature Club (VNC), the NSS unit of the college organized the "One MBITian One Cloth Drive" from October 30th to November 2nd. The event aimed to transform unused items into meaningful contributions, providing a unique shopping experience. The collected items were handed over to Kanha Charitable Trust and VNC for further distribution, making it a fulfilling and impactful experience for all involved.

Independence Day Celebration

MBIT celebrated its 77th Independence Day on August 15, 2023, with a remarkable event at the college. The national flag was unfolded by the Principal, symbolizing the college community's commitment to national duty. The day was filled with patriotic fervor, featuring a warm welcome, flag unfurling, patriotic song, and impactful speech, fostering a strong sense of unity and pride. The event showcased how MBIT is more than just an educational institution; it's a community united by a shared love for the nation.

Stop Child Sexual Abuse Webinar

On September 12, 2023, the NSS Unit MBIT collaborated with Gujarat Police, Sakshi NGO, and Rakshin Project to organize a webinar on "STOP CHILD SEXUAL ABUSE - POSCO 2012." The chief speaker, Ms. Anjali Vaidhya from Rakshin Project, Sakshi NGO, discussed the awareness and legal aspects of preventing child sexual abuse, citing examples through video clips. Chief Guest Shri Anil Pratham, IPS officer, provided valuable insights into the issues of child sexual abuse, guiding the attendees.

Swachhata Pakhwada Celebration

The NSS unit at MBIT organized a Poster Making Competition on September 15th, 2023, as part of "Swachhata Pakhwada," focusing on the theme "Plastic - The Silent Killer of Environment." The event aimed to raise awareness about plastic pollution and instill environmental consciousness, reinforcing the college's commitment to environmental stewardship among the youth.

Entrepreneurship Three Day Training Program

MBIT organized Three Days Business & Entrepreneurship Festival 2023. This Event was organized by Entrepreneurship & Development Cell (EDC) MBIT and specially arranged for all students, faculty members, and people who are willing to become a successful entrepreneur and businessman. The purpose of this Event was to bridge the gap between students and Business.

Intellectual Property Rights Workshop

The college organized an online workshop on "Intellectual Property Rights (IPR) & Patent, Design Filing" in association with Entrepreneurship Development Cell of MBIT on September 28, 2022. The speaker for the event was Mr. Himanshu Chandrakar, Examiner of Patents and Design, RGNIIPM, Nagpur - Ministry of Commerce who guided the students with his words of wisdom. Participation certificates were given to each participant of the event.

Training Session on Entrepreneurship

MBIT college and Symposium Committee of IIT - Bombay Jointly organised "Training Session" on Entrepreneurship on November 18, 2022 in online format. More than 300 Participants had joined the event. The Topics covered included critical subjects like "Why engineers with entrepreneur skills are paid more" and "what are High Income Skills". The students were motivated to dive into the ocean of entrepreneurship and come out with their pearls of creativity.

World AIDS Day

NSS Unit at MBIT, in collaboration with CVMU Nursing College, marked World AIDS Day on December 1, 2023. Volunteers tied AIDS awareness ribbons to faculty and staff, presented prevention information through posters, cards, and displayed HIV/AIDS information on the college board.

Viksit Bharat @2047

MBIT's NSS unit enthusiastically joined the "Viksit Bharat Sankalp Yatra" on December 23, following an online meeting on December 11. Students and staff pledged for a developed India in 2047, sharing ideas on themes like empowered citizens.

Drug Awareness Drive

In collaboration with Lions Club, Anand, MBIT's NSS Unit organized a Drug Awareness Program on December 12, 2023. Dr. Raju Rathod from Sardar Patel University discussed critical aspects of drug addiction, offering valuable guidance. Students took a pledge against drug use.

Meri Mitti Mera Desh

The "Meri Mitti, Mera Desh" program on August 9, 2023 was jointly organized by ADIT & MBIT, celebrated India's cultural unity. Dignitaries, including a retired army captain and Swami Vivekanand Parivrajak, shared insights. The event was concluded with a Tree Plantation activity for environmental sustainability.

NSS Orientation Program

MBIT hosted NSS orientation program on August 17, 2023, for first-year students. Mr. Kartik Jagtap, NSS Program Coordinator of CVM University, led activities. Many students participated, concluding with thanks and a memento presentation.
