***“Engineering is not only about making things, it’s about making things work.”***

MBIT Central Committee, under the ISTE Student Chapter, celebrated Engineer’s Day on 15<sup>th</sup> September, 2023 by organizing various technical and non-technical events.

The technical events included:

- ‘Miscellaneous Box’, in which chits mentioning some problems were given. 30 minutes were given to the participants to come up with an innovative idea to solve that problem which they needed to present.
- ‘Kurukshetra’ consisted of a quiz round of various mathematical questions which aimed to develop patience and persistence among students.

The non-technical events included:

- ‘Photography’ and ‘Reel Making’ based on a theme which was given on the spot to the participants.

The participants showcased their creativity, problem-solving abilities, and artistic skills. The celebration was a success, providing students with a platform to showcase their talents and interests beyond academics.

More than 100 students participated in various events. Winners of all the competitions were given certificate and the rest were also appreciated.

ISTE Student coordinators provided background support for the successful conduction of this event.

## GLIMPSE OF THE EVENT:

## **NOTE OF THANKS:**

We are thankful to our principal and CVM University for providing such an opportunity which provides us a platform to conduct such events for the students and our faculties.
