

## A Report on Fire Extinguisher Demonstration

**DATE:** January 16th, 2025

**VENUE:** MBIT Canteen Area

**Time:** 11:30 am

**Coordinator:** Prof. Khusbu P Patel

**Report by:** Prof. Khusbu P Patel

**Programme officer:** Prof. Khusbu P Patel

Madhuben & Bhanubhai Patel Institute of Technology (A Constituent College of CVM University), New V. V. Nagar organized a **Fire Extinguisher Demonstration** on **January 16th, 2025**, at 11:30 am by the **MBIT**.

In this successfully educated staff and students on crucial measures to prevent and respond to potential fire hazards. Organized, the event aimed to enhance public awareness and promote proactive safety practices.

The session covered fundamental fire safety principles, including the importance of smoke alarms, emergency evacuation plans, and proper usage of firefighting equipment. A live demonstration illustrated the correct handling of fire extinguishers and highlighted common mistakes to avoid.

Participants actively engaged in interactive discussions, sharing personal experiences and concerns related to fire safety. The event emphasized the significance of early detection through smoke alarms and the swift implementation of evacuation plans.

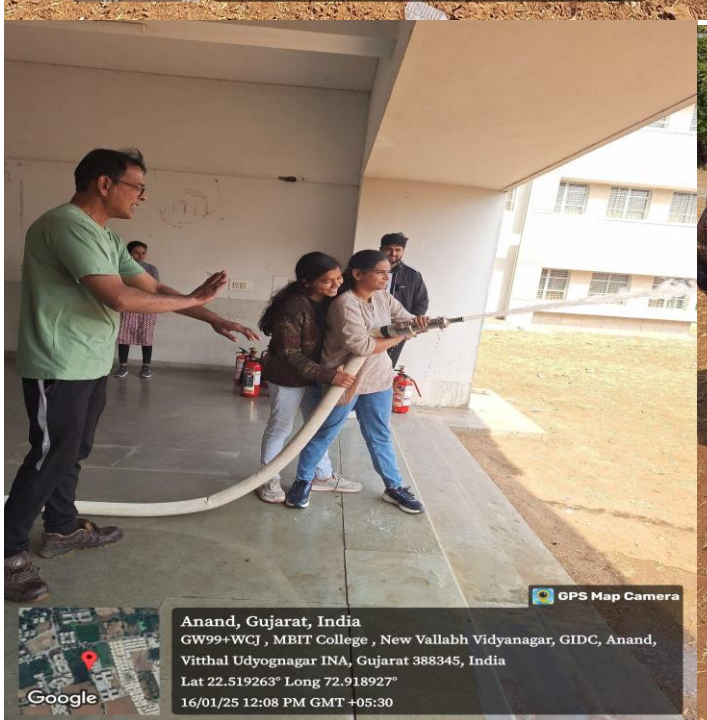

Notable speakers from the local fire department **Mr. Anil Ghadhvi** provided valuable insights into recent fire incidents and shared statistics to underscore the urgency of fire safety education. Attendees left with practical knowledge and a heightened sense of responsibility towards fire prevention in their homes and workplaces.

In conclusion, the fire safety awareness event effectively disseminated crucial information, fostering a safer community through increased awareness and preparedness. Ongoing efforts in educating the public about fire safety remain essential to minimize risks and protect lives and property.
