Event Report

on

"AWS Using AI"

(15th April 2025)

Organized By:

Department of Computer Engineering

Madhuben & Bhanubhai Patel Institute of Technology

(A Constituent College of CVM University), New Vallabh Vidyanagar

Objective:

The aim of this workshop was to provide students with practical knowledge and exposure to AWS Cloud Services integrated with AI tools and services. In today's tech industry, cloud computing combined with AI is rapidly transforming business processes. This session aimed to bridge the gap between theoretical learning and practical industry applications.

Workshop Details:

Date & Time: 15/04/2025 (Tuesday), 02:00 PM to 05:00 PM

Venue: DO03 Lab

Expert Name: Mr. Sumit Chawla

Designation: CEO

Organization: Ultron Technologies, Vallabh Vidyanagar

Experience: Extensive experience in AWS Cloud Development

Glimpse of the Workshop:

Welcome Speech & Expert Introduction

Prof. Akash Dave commenced the session by welcoming the guest and attendees and provided an introduction about the speaker, his work, and achievements.

Hands-on Session & Demonstrations

Mr. Sumit Chawla conducted a practical, interactive workshop covering:

- Introduction to AWS Cloud Platform

- Overview of AI Services available in AWS

- Live demonstration of setting up an AI-based service on AWS

- Real-time problem-solving and cloud deployment insights

Student Interaction & Q&A

Students actively participated in the Q&A round, clearing their doubts about AI applications in cloud services and discussing potential career paths in cloud and AI.

Vote of Thanks & Memento Presentation

Prof. Keyur Prajapati concluded the session by expressing gratitude towards the speaker and acknowledging the support from the management and organizing committee. A token of appreciation (memento) was presented to Mr. Sumit Chawla.

Attendance:

Total number of participants: 65+ students from 6th Semester Computer Engineering (Introduction to Clou

Feedback:

- "The session was very interactive and informative, gained hands-on experience on AWS services."

- "Got a clear understanding of AI applications in the cloud industry."

- "Looking forward to more such practical workshops in future."
