Jan - 2025 | Volume - 6 | Issue - 1

**MADHUBEN AND BHANUBHAI PATEL
INSTITUTE OF TECHNOLOGY**
(The Charutar Vidya Mandal(CVM) University)

Chairman's Message

Greetings and Warm Welcome!

It gives me great happiness to know that MBIT has come up with the tenth (Volume 6, Issue 1) of the bi-annual newsletter "MBIT Chronicles". The prime focus of this newsletter is to make students aware of the various kinds of activities taking place on the campus and also encourage them to take part in future events. As the saying goes, "Education breeds confidence, confidence breeds hope, and hope breeds peace," so this newsletter is a small step in the direction of producing the leaders of the future who will face all challenges in life with great calm and composure and be of great service to society. I would like to extend my heartiest wishes to the institution for its consistent efforts.

Principal's Message

I am delighted to present the new volume of "MBIT Chronicles," a testament to the vibrant academic and cultural life of our campus. This edition highlights the dedication and enthusiasm of our students, who consistently strive for excellence in academics while embracing extracurricular activities with equal vigor. It reflects the dynamic spirit of MBIT, inspiring everyone to participate more actively and contribute to our shared growth. I commend the editorial team for their hard work in compiling this exceptional issue, which not only documents our achievements but also strengthens our sense of community. May this initiative continue to thrive and serve as a source of pride and inspiration for all.

Alumni Profiles

Kruti Dodia

Connexa Technology, Bangalore

Kruti graduated from MBIT in 2022 with a bachelor's degree in Information Technology and began her career at Connexa Technology, Bangalore, as an Associate Technical Consultant, specializing in data analysis, business intelligence, and ERP systems. With 2.5 years of experience, she has honed skills in Microsoft Power BI, Tableau, SQL Server, Infor LN ERP, and project management tools like MS Project and SharePoint. She has successfully designed and deployed interactive dashboards across domains such as sales, purchase, production, and finance, enhancing data accuracy and decision-making. Her work includes developing insights, translating business needs into technical solutions, and managing BI projects while collaborating with CFOs and CEOs. Her message to MBIT students is to dream big, work hard, and stay curious, emphasizing that success stems from perseverance, learning from failures, and maintaining well-being while staying updated.

Richa Kumavat

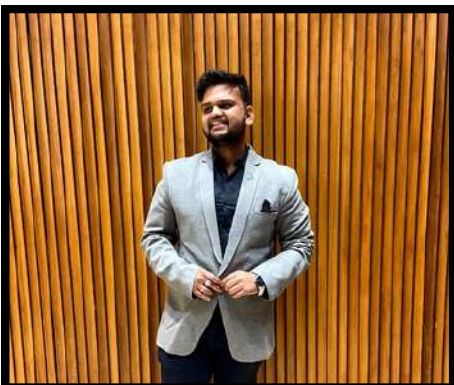

Horizontal Digital, Vadodara

Completing her graduation in 2024 in Computer Engineering, Richa Kumavat started working at Horizontal Digital after being selected during campus placement. She continued with the company after completing her internship and is currently an Associate Quality Analyst. During her journey, she acquired skills in various types of testing, tools like JIRA, QMetry, Sitecore, XM Cloud, and earned certifications in Accessibility and API testing. She represented Horizontal Digital during new graduate hiring and served as a buddy for a new QA graduate. With six months of work experience, she advises students aspiring to be Quality Analysts to focus on Software Engineering and improve communication skills to excel in interviews and aptitude tests.

Aeshwary Sharma

Tatvasoft, Vadodara

Aeshwary graduated in Computer Engineering in 2024 and started his career in an IT company through campus placement. Currently working as a Trainee Software Engineer, he has developed strong technical skills in .NET MVC, .NET Core, React JS, Next JS, SharePoint, Power Apps, Power Automate, Power BI, and tools like Git and GitHub. Alongside technical expertise, he has also improved his communication, task management, and teamwork abilities. He values the supportive work culture and guidance from seniors, which have helped him explore new technologies and grow professionally. His advice to students is to focus on enhancing both technical and soft skills, collaborate with others, and seize every opportunity for learning and growth.

An Awareness on Importance of ABC ID

Dr. Sarvesh Trivedi, Head of CVM University's IT department, spoke at MBIT on July 12, 2024, about the significance of ABC ID. He answered questions and provided explanations on credit transfers and ABC ID creation. Dr. Darshana Prajapati, HOD and Dr. Foram Joshi of the ASH Department coordinated the event.

A Session on Time Management and Decision Making

On July 16, 2024, MBIT organized a session on Time Management and Decision-Making at the MBIT Auditorium, led by Mr. Vasu Patel, CCO, CVM University. He discussed prioritization strategies and SWOT analysis for efficient task management. Dr. Darshana Prajapati, HOD and Prof. Sejal Patel from the ASH Department coordinated the event.

An Awareness Program on Cyber Security

As a part of the introduction program for first-year students, MBIT and the CVMU Cyber Security Club arranged a series of lectures on cyber security on June 26, 2024. Using examples, Prof. Sarvesh Trivedi, Head of IT department at CVMU, covered three key phases of cybersecurity. HOD of the Applied Science and Humanities Department

Dr. Darshana Prajapati, HOD coordinated the event, which held at the MBIT Auditorium from 2:00 to 4:00 PM.

A Guest Lecture on Youth for Nation

MBIT hosted a guest lecture on Youth for Nation on July 22, 2024, as a component of the first-year Bridge course. Social activist and visionary leader Shri Mayur Suthar of Vidya Dairy expressed his knowledge of Indian history, including figures like Chanakya, Shri Ram and Shri Krishna. He linked individual

development to national progress, highlighting self-awareness and advocating for maintaining a daily personal index. The session was organized by Dr. Darshana Prajapati, HOD and Prof. Sejal Patel. It took place in the MBIT Auditorium from 2:00 PM to 4:00 PM.

A Session on Rishi Scientist of India

The "Rishi Scientist" session at MBIT on June 12, 2024, led by Dr. Vibha Vaishnav from Sardar Patel University, highlighted the scientific contributions of ancient Indian sages. Organized by the MBIT Astronomy Club and CSC Khagol Mandal, the event attracted over 250 students. Principal Dr. Sudhir Vegad praised the successful event.

Financial Literacy Session

The Director of Khushi Wealth Private Limited, Mr. Mukesh Patel, led a financial literacy workshop on mutual funds at MBIT on July 15, 2024, from 2:00 to 4:00 PM in the auditorium. Mr. Patel, who has more than 20 years of experience, educated visitors on mutual funds, investment techniques, and the economic growth of India. His captivating presentation, emphasizing the significance of strategic investments for wealth building, enabled more than 200 attendees to make knowledgeable financial decisions.

A Session on Mathematics: Important and Useful

An interesting session called "Mathematics: Important and Useful" was held by MBIT on July 11, 2024, from 2:00 PM to 4:00 PM in the auditorium. Respected speakers Dr. Mahavir Vasavada and Mrs. Hema Vasavada illustrated how mathematics is used in everyday situations. While Dr. Vasavada offered advice on time management and personal development, Mrs. Vasavada demonstrated algebraic identities using visual aids. The students were profoundly impacted by the program, which emphasized mathematics as a vital tool for problem-solving and personal growth.

Industrial Visit of Amul Dairy and Chocolate Plant

Along with Professors Tapan Patel and Komal Yadav, MBIT students travelled to Anand, Gujarat, to see the Amul Dairy and Chocolate Plant from July 15–17, 2024. Amul Dairy and chocolate production procedures, including milk collection, quality assurance, pasteurization, and chocolate manufacturing, were experienced firsthand during the tour.

The cooperative model of Amul, its involvement in Operation Flood, and its effects on the dairy and chocolate industries in India were all covered by the students. The visit highlighted the value of cooperative principles in agriculture and economic growth while providing insightful information about industrial operations.

A Seminar on Environment and Human

A presentation on "Environmental Human" was given by Mr. Mehul Patel of the Vidyanagar Nature Club at MBIT on July 16, 2024. Speaking to 250 first-year students, Mr. Patel emphasized climate change and sustainable development plans while outlining the connection between environmental science and humans.

Creative Workshop

A Creative Workshop was arranged by MBIT on July 24, 2024, as a component of the first-year student orientation. The seminar was led by renowned architect Mr. Nirav Hirpara, Director of SMAID, who emphasized originality and unconventional thinking. It was well received by the audience.

An Awareness Program on CVM University's Model United Nation

On July 17, 2024, an awareness session on Model United Nations (MUN) was held at MBIT by Mr. Vasu Patel, CCO, CVM University. Students learned about MUN as a platform for diplomacy and problem-solving through debates and global issue discussions. Organized by Dr. Darshana Prajapati, HOD and Dr. Foram Joshi, the session highlighted skills like public speaking and teamwork, inspiring future leaders.

An Awareness Program on Anti-Ragging, Traffic Safety and Cyber Security

An awareness program on anti-ragging, traffic safety, and cyber security was held on July 26, 2024 at MBIT for first-year students. Key speakers, including DYSP Mr. P.K. Deora and officers from VV Nagar and Cyber Crime Police, provided guidance on safety measures helplines. The Session informed students about various facilities provided by police department during their bridge course.

Celebration of Women's Welfare Day

As a part of Women's Welfare Day celebrations on August 8, 2024, at MBIT, MBIT's Women Development Cell hosted a session featuring district dignitaries who addressed women's rights, empowerment, and safety. Topics included legal rights, domestic violence, health, and cybercrime, with practical guidance on helplines and support apps. The program for first final-year students, aiming to promote awareness and empowerment.

A Session on Importance of Literature in Life

MBIT organized a seminar on "The Importance of Literature in Life" on July 10, 2024, led by Prof. R. K. Mandaliya. He highlighted the profound influence of literature on society. The event, organized by Dr. Darshana Prajapati, HOD and Prof. Parveen Sodagar the ASH department, saw the participation of over 250 students. Dr. Sudhir Vegad, the Principal, congratulated the organizers for its successful execution.

A Guest Lecture on Celebrating 25 years of the Kargil War

To commemorate 25 years of the Kargil War, MBIT organized an expert talk on July 8, 2024, with Dr. Chintan Patel from GCET. He shared stories of soldiers' sacrifices, inspiring 250 students with a patriotic spirit. The event was organized by Dr. Darshana Prajapati, HOD and Prof. Sejal Patel, receiving appreciation from Principal Dr. Sudhir Vegad.

Zumba Workshop

MBIT's Cultural Team hosted a Zumba workshop on July 16, 2024, in collaboration with the I Am Me Dance Academy. Mr. Aashish Garasiya discussed the importance of fitness, followed by Zumba routines and exercises. Over 200 first-year students attended the event, which was organized by Prof. Sagar Jani, Prof. Dipti Mathpal, and Dr. Darshana Prajapati, HOD under the guidance of Principal Dr. Sudhir Vegad.

Hands-On Workshop on Blockchain Development

A two-day blockchain development workshop was held at MBIT on July 18-19, 2024, organized by the Software Club and Computer Engineering Department. The event covered blockchain fundamentals, DApp development, and Ethereum smart contracts, offering hands-on experience to participants. The workshop aimed to enhance practical knowledge and skills in blockchain technology.

Smart India Hackathon

An awareness session for SIH 2024 was held on August 16, 2024, organized by Prof. Sunit Parmar for students from 1st to 6th semester. The session introduced students to the SIH portal and problem statements, guiding them on innovative problem solving. Afterward, teams collaborated with the SSIP at MBIT to refine their ideas. The internal evaluation on September 12, 2024, involved 38 teams, under the guidance of Prof. Sunit Parmar and Prof. Pratik Soni.

Celebration of Indian Constitution Day

The NSS Unit of MBIT celebrated Constitution Day on November 26, 2024, with a poster-making competition and oath-taking ceremony. Eleven students participated, covering topics like Fundamental Rights,

Duties, and key features of the Constitution. Principal Dr. Sudhir Vegad praised the event and the organizers for promoting awareness about the Constitution's values.

Workshop on Hybrid Application Development Using Flutter and Dart

MBIT's Computer Engineering Department hosted a workshop on "Hybrid Application Development Using Flutter and Dart" on October 15, 2024. Expert Mr. Dhaval Mehta from Navrachana

University led the session, where 53 students learned to create cross-platform mobile apps. The hands-on session, supported by Dr. Shital Gondaliya and Principal Dr. Sudhir Vegad, provided practical insights into Flutter and Dart development.

Campus Cleaning Activity

As a part of the Swachhta ki Bhagidari initiative and in commemoration of Mahatma Gandhi's birth anniversary, MBIT organized a campus-wide cleaning activity on October 1, 2024. The event aimed to promote cleanliness and environmental responsibility among students, faculty and staff. The cleaning drive was a success, with the entire campus thoroughly cleaned and waste properly disposed off. Principal Dr. Sudhir Vegad encouraged participation, appreciating the efforts of the organizers and thanking Er. Shri. Bhikhubhai Patel President CVMU for his continuous support.

One-Day Cleanliness Camp at Dhuvaran Beach Celebration of Swachhata Diwas

In celebration of Mahatma Gandhi's birth anniversary and as part of the Swachh Bharat Mission, MBIT organized a cleanliness camp at Dhuvaran River bank on October 2, 2024. NSS volunteers collected and disposed off plastics waste, promoting environmental awareness. The event was a success, with enthusiastic participation from volunteers and locals, encouraging a cleaner, greener future. Principal Dr. Sudhir Vegad praised the efforts and thanked Er. Shri. Bhikhubhai Patel for his unwavering support.

Breast Cancer Awareness Seminar

On August 12, 2024, MBIT organized a "Breast Cancer Awareness" seminar, led by Ms. Himani Pandya from Zydus Nursing College. The session focused on early detection and self-examination techniques. The event, coordinated by Prof. Jigisha Kachhia and Prof. Khushboo Patel, was supported by Principal Dr. Sudhir Vegad and Er. Shri. Bhikhubhai Patel President of CVMU.

Independence Day Celebration

MBIT organized the 78th Independence Day celebration on August 15, 2024, at the Admin Block. The program began with flag hoisting by Principal Dr. Sudhir Vegad, followed by his patriotic speech. Ami Mistry sang a patriotic song, and Dhey Sutariya delivered a speech on the "Role of Youth Towards the Nation". The event was coordinated by Prof. Khushboo Patel, Prof. Darshana Patel and Prof. Hitesh Thakwani, with over 60 students and faculty attending.

Sapling Distribution

In a bid to promote environmental sustainability, MBIT organized a sapling distribution event for tree plantation on August 13, 2024, under the NSS Forum in collaboration with the Lions Club, Anand. The event

aimed to raise awareness about environmental responsibility by distributing 100 saplings to students and staff. Notable attendees included Lions Club members and MBIT Principal Dr. Sudhir Vegad. The event was coordinated by Prof. Khushboo Patel, with the support of NSS volunteers, contributing to the college's ongoing green initiatives.

Har Ghar Tiranga Yatra

On August 12, 2024, MBIT participated in the "Har Ghar Tiranga Yatra" organized by CVMU, SPU, and local authorities. The rally started at SEMCOM College and ended at Town Hall, Anand. NSS officers, NCC officers, and physical instructors accompanied the students.

Principal Dr. Sudhir Vegad motivated participants, and the event was completed with their support.

Workshop on Friends Forever

A workshop titled "Friends Forever" was organized on July 15th, 2024, at MBIT for first-year students to promote mental well-being. Led by Dr. Ankita Brahmabhatt, the session focused on the importance of friendship, communication, and developing intra-personal skills. Over 250 students participated, fostering meaningful connections and promoting mental health awareness. Principal Dr. Sudhir Vegad commended the successful execution of the event by the organizers.

National Science Day Celebration

MBIT's ASH Department, in collaboration with the Astronomy and Maths Club, celebrated National Science Day on March 1, 2024, with a poster competition judged by Dr. Abhay Dasadia and Dr. N. B.Desai. Winners included Shiv Padhiyar (Maths) and Vidhi Nakum (Astronomy). The event, coordinated by Dr. Foram Joshi and Prof. Jeet Panchal under Dr. Darshana Prajapati, HOD guidance, saw more than 25 participants and concluded with mementos for the judges.

A Guest Lecture on Chandrayaan-3, Aditya-L1: Missions of Hope for the Future of Space Exploration

MBIT Astronomy Club, CVM University, organized a guest lecture on "Chandrayaan-3, Aditya-L1: Missions of Hope for Space Exploration" by Dr. Darshan K. Patel, Group Director, SAC, ISRO, on

September 30, 2023. Dr. Patel captivated the audience with an insightful overview of the missions, using visuals and data to explain celestial observations, leaving attendees inspired.

Live Telecast of Chandrayaan-3

The NSS Unit and MBIT Astronomy Club celebrated the historic launch of Chandrayaan-3 on July 14, 2023, with a live telecast for first-year students. The event began with the inauguration of the MBIT Astronomy Club by Dr. Darshana Prajapati (HOD ASH), Dr. Shital Gondaliya (HOD CE), and Dr. Jagruti Prajapati (HOD IT). As the rocket launched at 2:35 pm, the hall echoed with applause and chants of "Bharat Mata Ki Jai." Volunteers concluded by sharing insights about Chandrayaan mission.

A Seminar on Journey of the Self

A Seminar titled "Journey of the Self" was organized at MBIT for first-year students, focusing on the benefits of yoga for overall well-being. Prof. Khyati Rogheliya, a certified yoga trainer introduces students to

beginner-friendly asanas such as Vajrasana, Pranayama, and Chakrasana. The event saw enthusiastic participation from more than 250 students and was successfully coordinated by Dr. Darshna Prajapati, HOD and Prof. Jigisha Panchal from the ASH department.

Workshop on the Art of Living

A workshop on the "Art of Living" was organized at MBIT for first-year students, guided by Advocate Mayur Khunti. The session focused on stress management, concentration, and personal development through mediation and breathing exercises. Activities like the clap game helped improve mental control, and discussions on Trigunas enhanced efficiency. First year students participated in the event, which was organized by Dr. Darshna Prajapati, HOD and Prof. Jigisha Panchal.

Workshop on Engineering Your Inner Self

A Workshop on Engineering your Inner Self was organized by MBIT on June 27, 2024, for first-year students. BK Jagrutiben from Brahmakumari Ishvariya VishvaVidyalaya conducted an interactive session on maintaining inner peace, self-discipline, and achieving goals. The event, organized by Dr. Darshna Prajapati, HOD and Prof. Sejal Patel, was attended by first year students.

Fire Safety Awareness Program

A Fire Safety Awareness program was organized by MBIT on June 27, 2024, for first-year students. Mr. Mahendrasinh Ravalji, Fire Marshal, conducted a live demonstration on fire safety and rescue techniques, explaining fire causes and prevention steps. The event, organized by Dr. Darshna Prajapati, HOD and Prof. Sejal Patel, was attended by more than 250 students.

A Seminar on Health and Happiness

MBIT organized a Health and Happiness seminar by Dr. Sulakshana Kendre, focusing on well-being through yoga and lifestyle activities. First year students participated. The event was coordinated by Dr. Darshna Prajapati, HOD and Prof. Sejal Patel.

A Seminar on Adolescent Health and Hygiene

A seminar on Adolescent Health and Hygiene on June 26, 2024, where Dr. Jasmine Gujarathi discussed the effects of junk food and emphasized good health practices. More than 250 students participated, and a pledge to maintain health was taken. The event was organized by Dr. Darshna Prajapati, HOD and Prof. Sejal Patel.

Health Awareness Program about Emergency Services and Basic Life Support Training for Students

A Health Awareness Program on Emergency Services and Basic Life Support was held at MBIT on June 27, 2024, where Dr. Mihir Acharya, an emergency expert from Zydus Hospital, demonstrated CPR and emergency procedures. Over 250 first-year students attended. The event was organized by Dr. Darshna Prajapati, HOD and Prof. Sejal Patel, with Principal Dr. Sudhir Vegad appreciating the successful execution.

NDPS Awareness Program Celebration of International Day Against Drugs Abuse and Illicit Trafficking

An Awareness Program on Narcotics, Drugs, and Psychiatric Substances (NDPS) on June 26, 2024, with officials from the Anand Police. The session highlighted the dangers of drug use and the NDPS Act. First-year students participated, with Principal Dr. Sudhir Vegad praising the event's success.

NSS Orientation

MBIT hosted an NSS Orientation on July 8, 2024, for first-year students. Mr. Kartik Jagtap, NSS Coordinator, introduced the scheme and its activities. A video highlighted volunteer contributions, inspiring students to engage to social service. Prof. Khushboo Patel shared past NSS activities at MBIT. Over 250 students participated in the event, organized under Principal Dr. Sudhir Vegad's guidance.

CVMUISC SSIP Awareness

Awareness and Sensitization Sessions on Startup/Innovation & SSIP Policy were held at MBIT College for 1st-year students on July 11, 2024 and 2nd-year students on August 8, 2024 in the Seminar Hall. Organized by CVMUISC SSIP CELL MBIT, the session featured experts like Prof. Sunit Parmar and Dr. Bhavesh Pithadiya .

Pledge-Taking Ceremony on NSS Day

On September 24, 2024, a pledge-taking ceremony was organized at 1:45 pm by Madhuben & Bhanubhai Patel Institute of Technology (MBIT), a constituent college of CVM University, to mark NSS Day celebrations. Coordinated by Prof. Khushboo Patel and reported by Prof. Sreeja P, the event aimed to encourage students to commit social service and responsible citizenship. Prof. Patel delivered an inspiring speech on the importance of social service and the role of NSS in shaping responsible individuals. NSS volunteer Shrey Dalwadi led the pledge recitation, followed by all participants vowing to uphold the scheme's ideals. Principal Dr. Sudhir Vegad commended the organizers and expressed gratitude to CVMU Chairman Er. Bhikhubhai Patel for his support. The event effectively reinforced values such as empathy, discipline, and social responsibility.

A Guest Lecture on Computer Vision

A session on Computer Vision by Dr. N.M.Patel from Birla Vishvakarma Mahavidyalaya was held on July 17, 2024, for 250 first-year B.Tech students. Dr. Patel discussed artificial intelligence, machine learning, and the Internet of Things, emphasizing the applications of computer vision in real life.

Cyber Awareness Workshop for College Staff

The Cyber Security Awareness Program was held on October 16, 2024 from 2:30 PM to 4:00 PM in the Auditorium, organized by the Cyber Security Cell MBIT. Conducted by Prof. Sunit Parmar, the session focused on key cyber security practices and online safety. It was well-received, highlighting the college's commitment to digital awareness.
