

Event Report: Thalassemia Testing Camp

Date: 1st May 2025

Organized by: Red Cross Activity Cell, MBIT

Coordinated by: Mr. Jitendrasinh Raulji

Supported by: Indian Red Cross Society, Gujarat State Branch

The Red Cross Activity Cell at MBIT successfully organized a **Thalassemia Testing Camp** on **1st May 2025**. The event was held in collaboration with the **Indian Red Cross Society, Gujarat Branch**, with the aim of creating awareness and promoting early detection of Thalassemia among students and youth.

Under the coordination of **Mr. Jitendrasinh Raulji**, the event witnessed enthusiastic participation. A total of **311 blood samples** were collected during the camp for Thalassemia screening.

The efforts of the volunteers, medical team, and support staff played a key role in the smooth and efficient execution of the event. The Red Cross Activity Cell extends its gratitude to all contributors, especially the team from the Indian Red Cross Society, for their dedicated service.

This initiative marked an important step in promoting health awareness and preventive healthcare among the student community.
