On the occasion of the 79th Independence Day, MBIT organized a **Tree Plantation Drive** on August 15, 2025, within the college campus. The event aimed to promote environmental awareness and contribute towards a greener and healthier campus.

The programme was inaugurated by **Dr. Maulika Patel**, Principal, MBIT, who addressed the gathering on the importance of environmental conservation and the role of trees in maintaining ecological balance.

6 saplings of Neem trees, generously donated by the Past President of the Lions Club, were planted by faculty members, students, and staff. Participants enthusiastically took part in digging, planting, and watering the saplings, pledging to nurture them for the future.

The activity was effectively coordinated by **Ms. Khusbu Patel** (NSS – Programme Officer), under the guidance of **Principal Dr. Maulika Patel**.

The event saw active participation from over 40 students and staff members, fostering a sense of responsibility towards nature and reinforcing MBIT's commitment to sustainable practices.
