- Support founders in creating key documents: investor pitch deck, executive summary, and financial projections.
- Offer templates and expert feedback on funding documents.
- 4. Build Investor-Ready Pitches
 - Conduct pitch training sessions with experienced mentors and VCs.
 - Provide opportunities for startups to receive feedback through mock pitches.
- 5. Connect Startups with Funding Opportunities
 - Facilitate introductions to investors through pitch days, networking events, and curated investor lists.
 - Help startups understand investor selection, due diligence, and term sheet negotiation.
- 6. Support Founders Through the Investment Process
 - Offer legal and financial advisory support on equity, valuation, and cap tables.
 - Provide workshops on negotiation, closing rounds, and post-investment planning.
- 7. Foster a Community of Early-Stage Innovators
 - Encourage peer-to-peer support and knowledge sharing.
 - Create alumni networks and continuous engagement opportunities post-program.

• **Outcome Statement:**

By the end of From Idea to Investment: Funding Gateway for Startups, early-stage entrepreneurs will have:

- Clarity on the funding landscape, including types of investors (angel, VC, crowdfunding) and what they look for at different startup stages.
- A refined investor-ready pitch deck with guidance from mentors and feedback from peers.
- Connections with potential investors and access to a curated network of funding resources and incubators.
- Improved confidence in pitching, through hands-on pitch training and mock investor sessions.
- A strategic funding roadmap, tailored to their startup's current stage, market, and growth trajectory.
