Department of Information Technology, MBIT, organized an industrial visit to Rishabh Software, Vadodara, on 16<sup>th</sup> September of 2025. The aim of this visit was to provide students with practical insights into various operations of an industry. It was arranged for the students of B. Tech. 7<sup>th</sup> Sem. IT department. Total of 38 students with 2 faculty members actively participated in this educational trip.

### Industry Profile

Rishabh Software is a global, full-service software development company with over two decades of proven expertise. With a strong focus on digital capabilities-including cloud, analytics, IoT, low-code, mobility, and more-the company empowers businesses to accelerate their digital transformation journeys.

Through its technology consulting and software product engineering services, Rishabh Software helps mid-sized companies and large enterprises design and develop next-generation digital products that drive efficiency, scalability, and innovation.

Backed by a talented workforce of 1,000+ professionals, Rishabh Software has delivered value-driven solutions to customers across 25+ countries, including the United States, United Kingdom, Europe, Canada, Singapore, and Australia.

With a commitment to quality, customer success, and future-ready technology, Rishabh Software continues to be a trusted partner for organizations looking to stay competitive in the digital age.

### **Visit Outcome**

The industrial visit to Rishabh Software offered third-year IT students an insightful look into the real-world dynamics of the software industry. Right from the moment we stepped in, the environment reflected innovation, collaboration, and professionalism.

The day began with a tour of the company's infrastructure, where students observed the development floors, testing laboratories, and cloud computing facilities. This firsthand exposure gave them a sense of how large-scale IT projects are executed in professional settings. A company presentation followed, introducing the students to Rishabh Software's wide spectrum of services and expertise in areas such as cloud, analytics, IoT, and low-code development. This session not only showcased the company's global presence but also its role in enabling digital transformation for businesses worldwide.

One of the most enriching parts of the visit was the career guidance discussion. Industry mentors elaborated on the different roles available in IT—from software development and quality assurance to data analytics, cybersecurity, and cloud engineering. For students preparing for placements, this session was particularly valuable in helping them align their skill development with industry demands. The interactive session with professionals added a personal touch. Experts spoke about emerging technologies such as Artificial Intelligence, Cloud Computing, and Cybersecurity, while also sharing their own career journeys. This was followed by a lively Q&A session, where students clarified doubts related to career paths, required skill sets, and the future of IT.

By the end of the visit, students had not only learned about cutting-edge technologies but also gained practical career insights. It was an eye-opening and motivational experience, bridging the gap between academic learning and industry expectations, while inspiring students to prepare for their upcoming professional journeys.
