

FACULTY OF ENGINEERING & TECHNOLOGY

First Year Bachelor of Engineering

Course Code: 102001215

Course Title: Professional Communication

Type of Course: Humanities, Social Science and Management Course

Course Objectives: The rationale of Professional Communication helps students to understand the concept of communication in link with Non-verbal communication. The curriculum also targets the understanding of different barriers that creep into communication process. Moreover Units covered on LSRW skills development will help students acquire competence over linguistic skills. This would be developed through balanced and integrated tasks.
